Delta Sigma Theta Sorority, Incorporated was founded on January 13, 1913 by twenty-two collegiate women on the campus at Howard University in Washington, DC. These students used their collective strength to promote academic excellence and help the underserved. The first public act performed by Delta Founders was participation in the Women’s Suffrage March, also in Washington, DC. in March 1913.

The Miami Alumnae Chapter of Delta Sigma Theta Sorority, Incorporated was chartered in 1941 by seven young Deltas and three new initiates who found themselves living and working together in Miami, Florida and saw the need to bring Delta’s community service programs to Miami. Throughout this season of unprecedented times with the pandemic, the chapter has continued to serve the community in creative and innovative ways by developing unique partnerships to cover a range of services.
